# Africa discusses regional and global internet governance

APC, members and partners are playing a key role in three exciting events happening in Durban, South Africa: the African Gender and Internet Governance eXchange (gigX), the African School on Internet Governance (AfriSIG) and the African Internet Governance Forum (AfIGF).

[Africa gets ready for exciting events on internet governance | Association for Progressive Communications](https://www.apc.org/en/news/africa-gets-ready-exciting-events-internet-governance)
